Event Organizers reserve the right to deny any vendor based on appropriateness to the spirit of the event.

Please Initial To Acknowledge

	I understand that vendor booths are 10 ft. by 10 ft. and vendors are required to provide their own tent, table, and chairs.
	I understand that all vendor booths are located on grass.
	Vendor check-in starts at 8 a.m. and ends at 10:00 a.m. Vehicles will not be permitted in the loading/unloading areas after 10:30 a.m. No exceptions. Anyone not in place by 10:30 a.m. will be considered a "no-show" vendor, and could be deemed ineligible to participate in the future.
	Tear down is at 5:30 p.m. Any vendor failing to comply could be deemed ineligible to participate in the future. Early teardown is unsafe for pedestrians and unfair to other vendors.
	All vendors are responsible for collecting and reporting applicable sales tax.
	We cannot provide electricity to vendors tents. Generators are not permitted. Quiet, battery-operated items are permitted (such as portable battery devices, battery-operated string lights, etc.).
	Spot location requests cannot be guaranteed. North River Farms and The Town of Mills River reserves the right to relocate a vendor for any reason.
	All vendors are responsible for their own trash in and around their booth area. All items must be taken at the end of the event.
	<i>There is no Wi-Fi available. Cell phone service is extremely limited or unavailable entirely at the farm. Those at my booth will plan accordingly, bringing cash and change for transactions if needed.</i>

Items/Products/Services to be displayed, take place, or sold- if any (please be as specific as possible):
