

**TOWN OF MILLS RIVER**  
**RESOLUTION ADOPTING THE MAKING MILLS RIVER 2040 COMPREHENSIVE PLAN**

**WHEREAS**, the Mills River Town Council and Town of Mills River Steering Committee have worked together to collect public input from the citizens of Mills River to create a Comprehensive Land Use Plan designed to reflect the needs and desires of the Town and of its citizens as related to future development and planning within the town limits; and

**WHEREAS**, the results of that public input is the "Making Mills River 2040 Comprehensive Plan" which is presented to the Council this date for review, a copy of which shall be on permanent file in Mills River Town Hall; and

**WHEREAS**, the Town of Mills River recognized the need to formulate a detailed land use development plan for the Town of Mills River and collected input over the last two years from Mills River citizens to generate a thorough guide to provide for, and continually improve existing and future land use, as the Town grows and progresses; and

**WHEREAS**, the Comprehensive Land Use Vision Map is included as part of the Making Mills River 2040 Comprehensive Plan;

**BE IT RESOLVED** by the Mills River Town Council that the "Making Mills River 2040 Comprehensive Plan" and the Land Use Vision Map are to serve as a guide for future planning and are hereby adopted and that the Town Council hereby expresses its intent that such document be used henceforth as a reference in the creation of all ordinances, rules, and regulations to the extent they each may impact the future of the Town of Mills River.

**ADOPTED** this the 27th day of May, 2021
